Abandoned Well Sealing Application Form

Objective: To seal abandoned wells to prevent contamination of groundwater and eliminate safety concerns associated with open wells to humans and livestock.

1. ELIGIBILITY & FUNDING

The Northeast Red Watershed District (NRWD) delivers programming with the partnership from multiple organizations. To be eligible for programming, you must **own or rent** land within the NRWD boundaries in the following Rural Municipalities: *Brokenhead, Lac du Bonnet, Reynolds, Springfield, St. Clements, Ste. Anne, or Taché.*

Cost-share: The NRWD will reimburse the landowner the invoiced amount from work completed up to a **maximum of \$3,000** to seal an abandoned well. There is no limit to the number of applications a landowner can submit however, one application must be submitted per well.
